

DRY-LAM® Overhead Projector

Model 1900

Added Performance, Affordable Price

Whether you are in the classroom or conference room, the sleek, contemporary design and rugged functionality of the Model 1900 means you can project a bright clear image without sacrificing your budget. An open singlet projection head makes it easy to focus and clean, while 2,200 lumens of light ensures your image will be seen even with the room lights on.

KEY FEATURES

- Open singlet projection head for easy cleaning
- 2,200 lumens of light enhance your visuals
- Large 10" x 10" staging area
- Ten-foot power cord and tangle-free cord storage
- Easy-to-locate on/off button and focus knob design
- Quick Lamp Changer - switch to backup lamp with the turn of a knob
- Two year limited parts and labor warranty
